

Many of my tips direct you to websites – but if you don't have a computer use one for free at your local library

Every penny counts!

Save money, earn cash and use my handy hints by **Andrew Fleming**

Get a **FAMILY** holiday – for under £15

With the Euro and Dollar costing a fortune, holidays in Europe and the US will hit families hard this summer. But worry not – stay here in brilliant Blighty and become a 'hopper'. That's when you swap your home with another family – just think, you could spend a week or

two in a cottage in Cornwall, or a barn in Brighton for the same price as entry to a theme park! Browse the website for free at www.ukholidayswapshop.co.uk or pay £14.95 per year to register to swap – and that's half-price for a limited period. Happy holidays!
